INTRODUCTION

George Brown College's Awards program recognizes students who demonstrate financial need along with academic excellence. Assistance in the form of non-repayable scholarships, awards and bursaries is provided to eligible students to assist them with the costs of their education. *Student Awards* will allow you to identify the awards, scholarships, and bursaries you may be eligible for, apply online, and track the status of your application.

Applications for student awards are now available through the ***Student Awards*** tab in [Stu-View](#).

For details regarding application deadlines and further information on available awards, scholarships and bursaries please visit the [Awards and Scholarships](#) webpage.

Who Is Eligible to Apply?

To be eligible for awards, scholarships and bursaries, you must be:

- A current student at George Brown College, **and**
- Registered as a full-time student – i.e. taking at least 60% of a full course load, or at least 40% of a full course load for students with a permanent disability.

Continuing Education students and part-time students are not eligible to apply online for awards, scholarships and bursaries. If you are a Continuing Education or part-time student, please contact the [Financial Aid](#) office directly to find out about your financial assistance options.

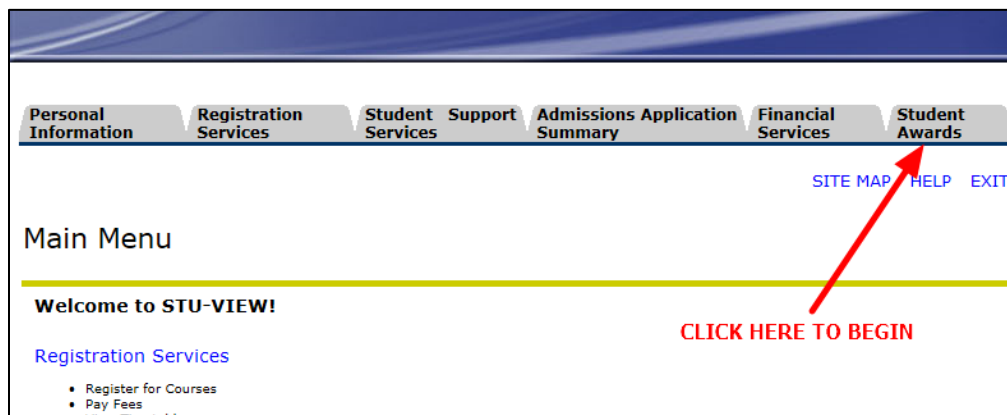

Please note: You must be enrolled in full-time classes for the applicable semester in order to view the available bursary, scholarship and awards applications.
